**INFLATABLES/KIDDIE TRAIN EQUIPMENT USE PERMIT
CONDITIONS**

Vendors, companies or customers will be required to possess a copy of the permit to use inflatables/kiddie train equipment in City of Tucson parks.

- ◆ Vendor or representative will notify one of the District Offices during business hours, Monday through Friday, 8:00 A.M. to 5:00 P.M., of your intent to enter a park at least one week in advance of the event. The Inflatables/Kiddie Train Equipment Use Permit can be purchased quarterly. (Administration and Northwest District, 791-4873; East District, 791-5930; Southwest District, 791-5909)
- ◆ Vendor must provide a copy for their Business License which must be valid during permit term.
- ◆ Vendor will provide a valid insurance certificate with General Commercial Liability in the amount of \$1 or \$2 million **Per Occurrence**, naming the City of Tucson, Parks and Recreation Department as additional insured.
- ◆ Vendor is required to provide supervision for specified inflatables and the kiddie train. Employees must provide an employee check stub, picture ID and a copy of the permit upon request. Vendor shall leave the park in a clean and orderly condition.
- ◆ Vendor or personnel are **NOT** allowed to sell retail items or concessions items on site or solicit park patrons to use their ride equipment for a fee.
- ◆ Vendor or personnel shall access park property through the designated park entrances only and must park their transport vehicle in the designated parking areas.
- ◆ If the vendor drops off an inflatable, which does not require supervised personnel, the renter should have a copy of the permit to verify use in our park.
- ◆ Vendor will indemnify and hold harmless the City of Tucson from any litigation or lawsuits related to the use of their inflatable/kiddie train equipment due to negligence.
- ◆ Vendor permit will be revoked if the permittee receives two guideline violations.
- ◆ Inflatables with water mister devices must receive prior approval from the director before they are offered to a customer. Vendor must provide their own water. The Inflatable must be set up in the grass areas.
- ◆ Vendors are **prohibited** from using park electricity for their equipment. Vendors **MUST** provide a generator when setting up jumping castles in a City park. No refunds will be granted due to the absence of electricity.
- ◆ Jumping Castles are **NOT** permitted in Ft. Lowell Park. Kiddie Trains are **NOT** permitted in Reid and Ft. Lowell Parks.
